Short Description

This plugin simplifies the process of integrating Google Tag Manager into your Joomla site, allowing you to efficiently manage and deploy tags. Just copy and paste your Tag Manager code, and you're all set to start tracking and optimizing your website's performance.

Description

Google Tag Manager Joomla Plugin

Functionality:

Effortless Setup: No coding required. Simply copy and paste your Google Tag Manager code into the plugin.

User-Friendly Integration: Designed to be straightforward, making it easy for anyone to add Google Tag Manager to their Joomla site.

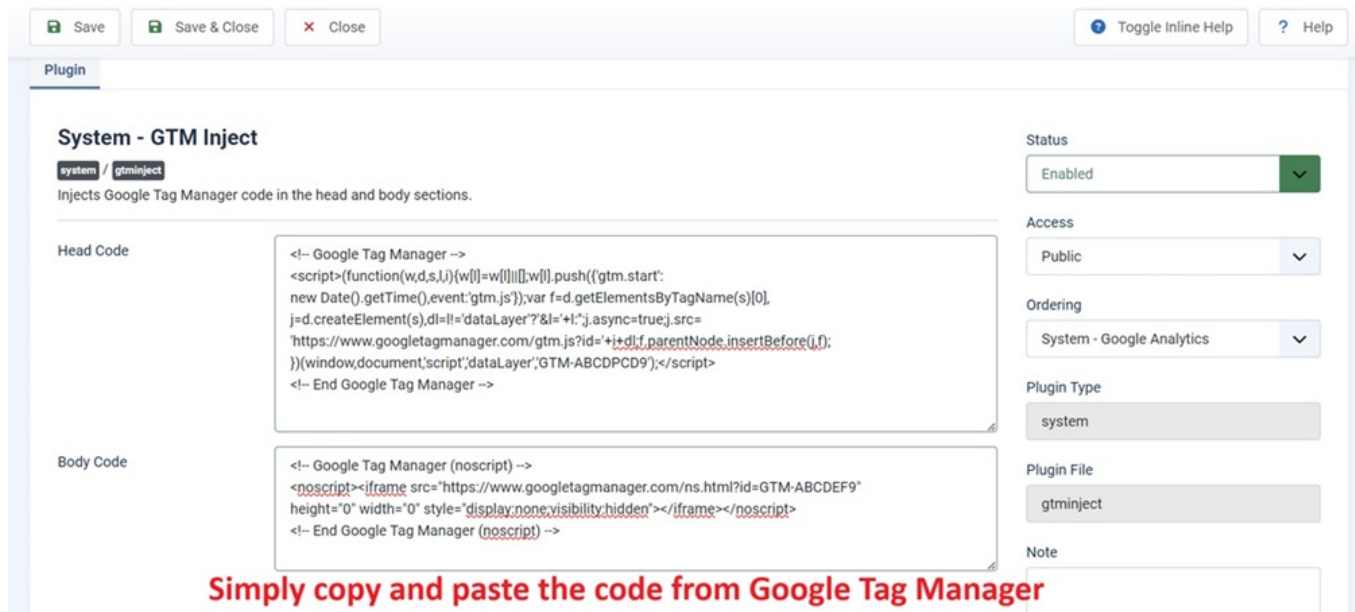

Efficient Tag Management: Enables you to manage all your website tags (e.g., tracking and marketing tags) from a single interface, without needing to edit your site's code.

Streamlined Updates: Allows you to update and add new tags quickly and efficiently without having to modify your Joomla templates.

Enhanced Analytics: Provides comprehensive tracking and insights into user behavior, helping you optimize your site for better performance.

Compatibility: Works seamlessly with all Joomla templates and versions.

This plugin simplifies the process of integrating Google Tag Manager into your Joomla site, allowing you to efficiently manage and deploy tags. Just copy and paste your Tag Manager code, and you're all set to start tracking and optimizing your website's performance.

The screenshot shows the Joomla! Plugin Manager interface for the 'System - GTM Inject' plugin. The plugin is currently 'Enabled'. The 'Access' is set to 'Public', and the 'Ordering' is 'System - Google Analytics'. The 'Plugin Type' is 'system' and the 'Plugin File' is 'gtminject'. The 'Head Code' field contains the following code:

```
<!-- Google Tag Manager -->
<script>(function(w,d,s,l){(w[l]=w[l]||[]).push({'gtm.start':
new Date().getTime(),event:'gtm.js'});var f=d.getElementsByTagName(s)[0],
j=d.createElement(s),dl=l!='dataLayer'?'&l='+l:'';j.async=true;j.src=
'https://www.googletagmanager.com/gtm.js?id='+j.d.f.parentNode.insertBefore(i,f);
})(window,document,'script','dataLayer','GTM-ABCDPCD9');
<!-- End Google Tag Manager -->
```

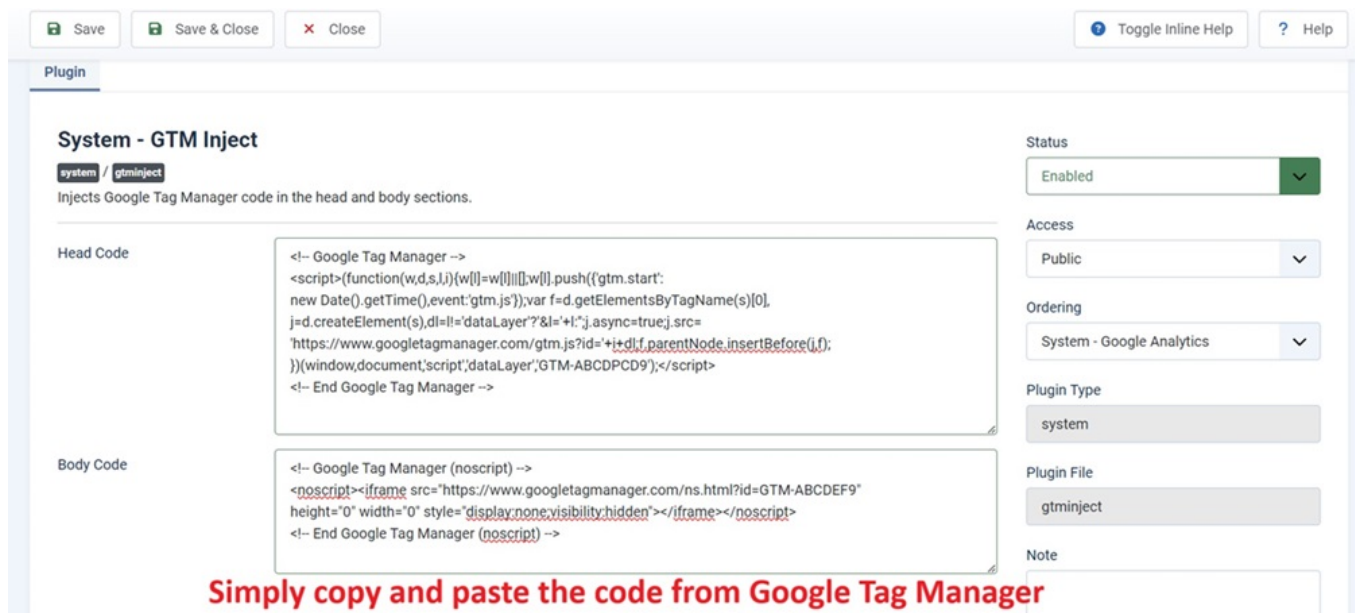

The 'Body Code' field contains the following code:

```
<!-- Google Tag Manager (noscript) -->
<noscript><iframe src="https://www.googletagmanager.com/ns.html?id=GTM-ABCDPCD9"
height="0" width="0" style="display:none;visibility:hidden"></iframe></noscript>
<!-- End Google Tag Manager (noscript) -->
```

Simply copy and paste the code from Google Tag Manager

Installation Guide

Using Tiny Editor - Click on source code page and copy and paste the code from Google tag manager.
