Description

Joomla Module for 3D Floating Barber Pole Symbol

Functionality:

Vertical Floating Animation: This module adds a 3D vertically floating barber pole symbol to your Joomla website, which serves as an eye-catching feature on the right side of your site.

Custom URL Integration: You can set a custom URL in the module backend, allowing the barber pole to act as a clickable link. This is perfect for directing visitors to specific pages, such as a booking form, promotions, or contact information.

Attractive Visual Element: The barber pole symbol is designed to draw attention, making it a great tool for highlighting key areas of your site.

Responsive Design: Ensures the floating animation works smoothly across all devices, including desktops, tablets, and smartphones.
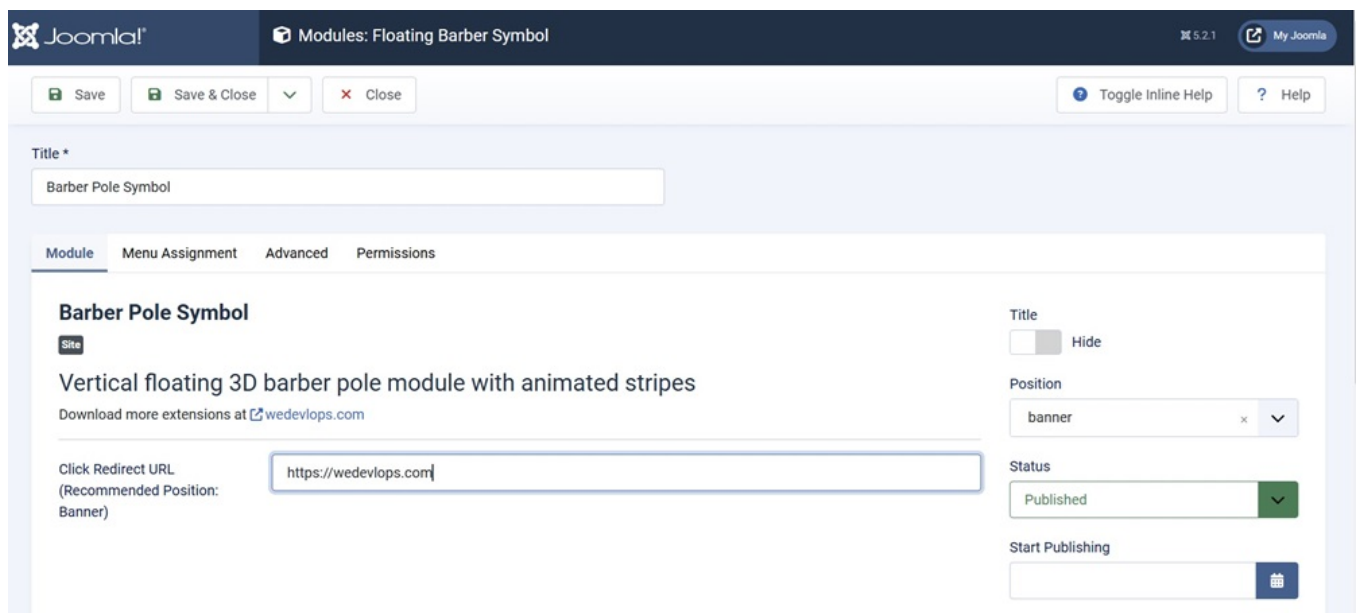

Compatibility: Fully tested and operational on Joomla versions 3, 4 and 5, and works with all Joomla templates.

Simple Setup: Easy to install and configure, enabling you to quickly add this engaging feature to your site.
