## Description

### Joomla Viber Chat Community URL Integration Module

#### Functionality:

**Chat Integration:** This module integrates Viber chat functionality into your Joomla website, allowing visitors to join your Viber community directly through the site.

**Floating Button:** Adds a floating button that can be positioned on either the bottom left or bottom right of the screen, providing easy access for users to join your Viber chat community.

**Customizable Position:** Choose whether the floating button appears on the left or right side of the screen to best fit your site's design and layout.

**Engaging Animation:** The button includes floating effects that attract visitors' attention, making it an effective tool for increasing engagement and encouraging users to join your Viber community.

**Responsive Design:** Ensures that the floating chat button works seamlessly across all devices, providing a consistent and smooth user experience on desktops, tablets, and smartphones.

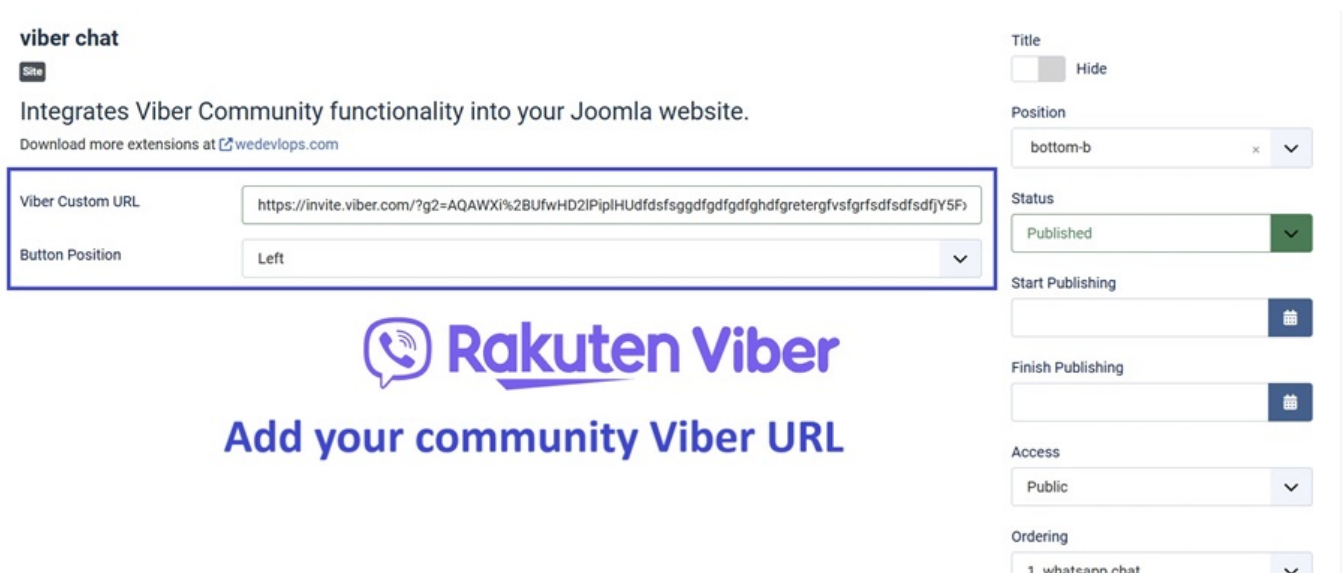

**Compatibility:** Fully compatible with Joomla 3, Joomla 4, and Joomla 5, ensuring that it works across different versions of Joomla.

**Simple Setup:** Easy to install and configure, allowing you to quickly integrate Viber chat functionality into your site with minimal effort.

**Enhanced Communication:** Facilitates real-time communication and community building, helping improve customer engagement and support.

This module enhances your Joomla website by adding an interactive Viber chat button with customizable floating effects. It provides a convenient way for visitors to join your Viber community, ensuring that the chat feature is always accessible and improving user engagement and support.

The screenshot displays the Joomla! configuration interface for the 'viber chat' extension. The main configuration area includes a 'Viber Custom URL' field with a placeholder URL and a 'Button Position' dropdown menu set to 'Left'. Below this is a preview of the 'Rakuten Viber' chat button with the text 'Add your community Viber URL'. To the right, a sidebar contains various settings: 'Title' (Hide), 'Position' (bottom-b), 'Status' (Published), 'Start Publishing' and 'Finish Publishing' (both empty), 'Access' (Public), and 'Ordering' (1. whatsapp chat).
